

Wooden Sticks Golf Club

Club Fitting Program

Built for Your Swing. Proven by Data. Designed to Perform.

At **Wooden Sticks Golf Course**, we don't guess — we measure, analyze, and optimize.

Our club fitting program is designed for golfers who want **real results**, combining industry-leading technology with expert insight to unlock your full potential on the course.

THE DIFFERENCE

A properly fitted set of clubs can transform your game:

- More **distance** with optimized launch conditions
- Tighter **dispersion** and improved accuracy
- Better **feel and consistency**
- Complete confidence standing over the ball

This is not a retail fitting — it's a **performance session**.
